

Why America Will Die!

Ah sinful nation, a people laden with iniquity, a seed of evildoers, children that are corrupters: they have forsaken the Lord, they have provoked the Holy One of Israel unto anger, they are gone away backward (Isaiah 1:4).

America has a sin problem, an addiction to wickedness. As a nation, we don't just tolerate it, we revel in it, fixate on it, obsess over it, and we even export it. As in the days of Noah "...every imagination of the thoughts of man's heart was only evil continually" (Genesis 6:5).

God's judgment will fall on a nation that prefers idols, kills babies by the tens of millions, sanctions the marriages of sodomite homosexuals, and has an insatiable appetite for pornography, sex, drugs, drunkenness, incest, violence, and blasphemy. The United States of America, as she now stands, is not a Christian nation under God, but is a diseased and filthy whore of a nation.

When Israel turned her back on the Lord, the Lord called her a harlot (Ezekiel 16:35). America, the gentle land of milk and honey, is following in the exact same footsteps as Israel and will receive the exact same condemnation and punishment that she received.

As Israel was, America has become a rebellious people, lying children. Children that will not hear the law of the LORD: which say to the seers, see not; and to the prophets, prophesy not unto us right things, speak unto us smooth things, prophecy deceits: (Isaiah 30:9-10).

This is why false tele-evangelists, such as Joel Osteen, T.D. Jakes, and Creflo Dollar, to name just a few, are prospering. They are telling the people what they want to hear and not telling them the truth, that America's judgment is imminent. Jeremiah 12:17 states, "If they will not obey, I will utterly pluck up and destroy that nation, saith the Lord." The Bible also states, "the wicked shall be turned into hell, and all the nations that forget God" (Psalm 9:17).

This is why America is experiencing record breaking droughts, forest fires, hurricanes, storms and tornados, not to mention the increasing number of earthquakes being felt all over the country. Also, our borders have been left wide open and undefended and illegal immigrants by the millions are pouring in and destroying our economy and way of life. It has also been widely reported that terrorists have been infiltrating into all parts of our country.

This Bible study was put together to show America's defiance of the Holy God who blessed us from the birth of our nation, and the Lord's coming judgment against that very same rebellious and wicked nation that we have become. The Lord will repay him that hateth him to their face to destroy them. He will not be slack... (Deuteronomy 7:10).

All of the following articles have been taken from various news sources such as Rapture Ready.com, Steve Quayle.com, Before Its News.com, and All News Pipeline.com to show beyond a shadow of a doubt why America's immediate judgment is assured:

GEORGIA GUIDESTONES

On one of the highest hilltops in Elbert County, Georgia stands a huge granite monument called the Georgia Guidestones. Engraved in 8 different languages on the four giant stones is America's new 10 Commandments, the first of which says, "Maintain humanity under 500,000,000 in perpetual balance with nature." Since there are about 7.5 billion people on this planet now, it means that 14 out of every 15 people must be exterminated. This is what happens when you reject God's laws and replace them with your own. You can view this monument and the remaining commandments by Googling Georgia Guidestones.

SHEDDING OF INNOCENT BLOOD

Several videotapes surfaced recently of officials with Planned Parenthood eating salad, drinking wine, and talking about the harvesting of the organs of aborted babies for sale to select customers. It sounds sub-human, Nazi-like and barbaric, but if the people who claim to be shocked were really honest, what did they really expect Planned Parenthood and other groups around the world were doing with the body parts of aborted babies?

'We Want 50 More Baby Livers a Week'. Says Planned Parenthood Partner Who Jokes About Shipping Severed Heads

Another step in the process is to remove the hands and feet from babies' limbs before they send the body parts to academic labs because researchers don't want to know that they are working on aborted babies. Many researchers, according to Dyer, leave the field because they cannot ethically and emotionally handle working on aborted babies.

Abortion-promoting pastors offer blessings to Planned Parenthood.

SEXUAL IMMORALITY

Supreme Court Extends Gay Marriage Nationwide

The Supreme Court declared Friday that same-sex couples have a right to marry anywhere in the United States, a historic culmination of two decades of litigation over gay marriage and gay rights generally. Gay and lesbian couples already could marry in 36 states and the District of Columbia. The court's 5-4 ruling means the remaining 14 states, in the South and Midwest, will have to stop enforcing their bans on same sex marriage.

President Who Opposed Gay Marriage Three Years Ago Turns White House Into Rainbow Extravaganza

Yeah, they really did light up the White House in the colors of the gay rainbow flag, which is something they had to be planning for days in anticipation the ruling. The logistics of it don't allow for the possibility that it was a spontaneous reaction. Obama

knows full well that a lot of Americans are heartbroken to see that their government has now established law in direct contradiction to God's Word. With his decision to spike the ball here, Obama not only comes down decisively in opposition to the values of those Americans (which of course we all knew), he also makes it clear that he's more than happy to rub their noses in it.

As official US diplomacy, homosexuality is being aggressively pushed on other nations around the world by way of offering financial incentives to legitimize this perversion or threatening sanctions to those that don't. "Woe unto the world because of offences! For it must needs be that offences come; but woe to that man by whom the offence cometh!" (Matthew 18:7). The recent Supreme Court opinion on homosexual marriage is the latest piece de resistance of moral depravity. In hell-ebriation (oops, getting a little ahead of myself) in celebration, the White House was illuminated in "gay pride" rainbow colors. What a terrible shaming of this nation before Almighty God. Various other landmarks were likewise transformed, amongst them Niagara Falls, the "Freedom Tower" in NYC, the Cinderella Castle at Disney World, and various state houses and city halls.

Pope blesses lesbian authors for their "excellent Christian values"

Pope Francis has reportedly pronounced two "married" women fruitful, with excellent Christian values. Lesbian author Francesca Pardi, who writes and publishes books such as "Why you have two mummies", wrote to Pope Francis after the publishing company she runs with her wife came under fire from Christian groups. Now she is getting a Papal blessing and well wishes. Should she also maybe get the Gospel message? And the truth about what the Bible says about sin?

Nationwide Boycott Called As Boy Scouts Of America Adopt The LGBT Agenda

In 2015, the BSA has been hijacked by the LGBT Mafia, and as such, we call for an immediate nationwide boycott and rejection of the Boy Scouts of America. Where is the voice of the Christian Church in this nation to rise up and condemn this? I'll tell you why, because the useless, silent, end times Laodicean Christian Church is too busy "asking for blessings" instead of standing on the Bible.

California Students Now Given Six 'Gender Identity' Choices On College Admissions Applications

Questions about gender identity and sexual orientation have been added to admissions applications used by the University of California system, including no less than six choices for students when checking off their "gender identity."

One new question posed to those seeking admittance to the system – which educates 233,000 students enrolled in 10 campuses statewide - is "How do you describe yourself? (Mark one answer)."

The choices are: "male; female; trans male/trans female/trans woman; gender queer/gender non-conforming; and different identity." The application also asks "what sex were you assigned at birth, such as on an original birth certificate?" and the two choices are: male or female.

A recent report on the sexuality of college students reported that 70% of students who were surveyed had watched porn from the age of 10 years old and sometimes earlier. That means there are several generations whose sexual behavior patterns have been programmed by very aberrant, perverse, and violent pornography. In addition, 31% of the boys interviewed watched violent porn content! This means that this exposure to violent porn was prior to virtual world porn. But when the study tells us 31% watched violent porn content that means a significant percentage of that kind of porn would involve criminal forms of sexual activity including extreme violence, torture, rape, and snuff films. Other statistical data reveals that young girls are being exposed to the same percentages of porn. Further studies reveal that children now form their sexual ideas, fantasies, desires, and sexuality from pornography!

White House hires first transgender member of staff

The White House has hired its first openly transgender full-time member of staff, officials have confirmed. Raffi Freedman-Gurspan started working as an outreach and recruitment director for presidential staff on Tuesday. Her commitment to transgender rights reflects "the values of this administration," a senior White House official said.

Rev. Graham: USA 'Now Exporting The Acceptance of Immorality Via Our President'

In reference to President Barack Obama's trip to Kenya where, during a press conference he expressed support for gay rights and equated legal restrictions on homosexuality to Jim Crow laws and slavery, Reverend Franklin Graham said the United States was "now exporting the acceptance of immorality" through Obama.

Montana man inspired by same-sex marriage ruling requests right to wed two wives

Nathan Collier said he was inspired by the recent Supreme Court decision that made same sex marriage equal. He said he was particularly struck by the words of dissenting Chief Justice John Roberts who claimed giving gay couples the right to marry, might inspire polygamy. And so this week, Mr. Collier and his two wives, Victoria and Christine, entered a courthouse in Billings, Montana, and sought an application to legalize the trio's polygamous union. "Right now we're waiting for an answer," Mr. Collier told the Independent. "I have two wives because I love two women and I want my second wife to have the same legal rights and protections as my first."

THE RISE OF SATANISM

Places of open Satanic worship are on the rise. Black masses and Satanic rituals are being held on major college campuses and satanic groups are erecting giant bronze statues featuring a goat-headed Satan in places like Detroit, Oklahoma City, and a growing number of cities. A Satanic Temple ceremony in Detroit is being sold as the largest Satanic ceremony in history with people invited

to “come dance with the Devil” and participate in a night of chaos, noise, orgies, and debauchery. The bronze Baphomet monument, which is a picture of Satan with horns, hooves, wings, and a beard is the same Satanic image seen at pop music concerts with some of the biggest music stars performing satanic rituals on stage. Behind the bronze Baphomet is an inverted pentagram. But the most disturbing thing of all is the two young children, a little boy and a girl reaching out to Satan as father.

AC/DC Kick Off Grammys With Devilishly Explosive Medley

AC/DC set the Grammy Awards on their own “Highway to Hell” with their explosive opening performance, starting as LL Cool J introduced them. The Aussie hard rockers blasted the audience with the title track of their latest album, last year’s *Rock or Bust*. In standard form for the group, frontman Brian Johnson gyrated in his signature Andy Capp hat, as lead guitarist Angus Young headbanged and duck-walked in his schoolboy uniform. As soon as they finished with that tune, Young blared out the opening words to “Highway to Hell” and Johnson grinned from ear to ear. The whole audience donned light-up devil horns, including Katy Perry who gave the devil-horns with her fingers, as some pyro things lit up behind them. Even Tony Bennett – who, along with his date for the night, Lady Gaga, seemed to be enjoying himself. When LL Cool J came back to host, he called the performance “devilishly good.”

GODDESS KALI SHOWCASED ON THE EMPIRE STATE BUILDING IN NYC

The Hindu goddess was displayed on the façade of the building that is synonymous with New York, the iconic Empire State building. Artist Android Jones designed the fierce portrait of Kali, who is the Goddess of Time, Change, Power and Destruction, to make the point that Mother Nature now more than ever needs a fierce avatar to fight the dangers of pollution and extinction. The show ended with a representation of Kali – the goddess of darkness – imploring people world over to fight the darkness and to take up conservation.

Now across the nation, as Christian churches and pastors have been consistently hiding from taking an intelligent stand for the practical applications of the truth of God’s Word, there is a mass exodus of children even from Evangelical homes, completely rejecting their Christian faith. They are walking away in America by the millions, which leave a true Christian culture of only 2-4% of the population. The reason they are walking away from their Christian faith is that they do not see it at work in this culture. In addition, contemporary Christianity teaches and pretends to practice the Bible without engaging the cutting edge issues of our time, and therefore provides no real answers. At the same time there is this exodus from Christian churches, and even the closing of Christian churches.

No longer Made In The Image Of God

Transhumanist Candidate for US President Hopes To Convince You Of Your Need To Evolve From Your Current Self “Into Something Else” I want people to know their future transhuman self is almost certainly going to be more amazing, beautiful, and unique than their current self. Biology is simply not the best system out there for our species’ evolution. It’s frail, terminal, and needs to be upgraded.

CHRISTIAN PERSECUTION

Planned Parenthood to Raise Funds by attacking and Defaming Peaceful Prayer and worship Event in Idaho

Meridian, Idaho, - In a fund raising email sent by Planned Parenthood of the Great Northwest and Hawaiian Islands, Planned Parenthood spread malicious lies about a “Worship for Life” event sponsored by Stanton Healthcare.

The Persecution of Christians Is Intensifying As Anti-Christian Hatred Sweeps The Entire World -The United States
If Christians stay in their homes and don’t say anything, normally they don’t get physically persecuted in this country. But in recent years there have been an increasing number of incidents where street preachers and others that do try to actively influence the culture have been violently assaulted. The following is one recent example that happened in Seattle... Two street preachers were brutally beaten – punched and kicked – by a crowd at a gay pride festival in Seattle and the entire melee was captured on video. The preachers were holding signs reading “Repent of Else” and “Jesus Saves From Sin”. The video shows a group of people initially screaming and threatening the men during Pridefest at the Seattle Space Needle. Television Station KOMO reported that some of the attackers belonged to a group called NOH8. A group of women tried to steal their signs but were unsuccessful. The video then shows a group of men grabbing onto one of the preacher’s signs and dragging him to the ground. At some point he was punched in the back of the head a number of times while others can be seen kicking the man. Of course all of this is just the beginning.

Obama Judge Fines School Over School Prayer

An Obama-appointed district judge fined a Mississippi school district over \$7500 after a pastor led a prayer before an optional school assembly.

The Christian purge has begun: Chaplains banned from preaching that homosexuality is a sin.

It wasn’t so much a choice as it was a demand. Chaplain David Wells was told he could either sign a state-mandated document promising to never tell inmates that homosexuality is “sinful” or else the Kentucky Department of Juvenile Justice would revoke his credentials.

ANTI-SEMITISM ON THE RISE!

President Barack Obama is heralding his nuclear deal with Iran as “another chapter in the pursuit of a more helpful and more hopeful world.” I don’t think so. Iran has a history of funding terrorism around the world, and they are Israel’s worst enemy. We are alienating our decades-long allies and cozying up to their enemies and ours. US President Barack Obama admitted Friday that the

Iranian nuclear deal gives Iran – the leading state sponsor of terror – ample funding to extend its terror network, in a revealing interview with BBC.

Obama Warns Putin “Israel Is Next” After Historic Iran Nuke Agreement

A stunning report circulating in the Kremlin today prepared by the Ministry of Defense (MoD) states that President Barack Obama’s “unexpected” telephone call to President Putin yesterday not only thanked the Federation’s leader for the nation’s help in reaching a Treaty on the Non-Proliferation of Nuclear Weapons (NPT) agreement with Iran, but further warned that America’s leader was now preparing to unleash the power and might of NATO against Israel within 3 months.

Jewish neighborhood in San Antonio hit with anti-Semitic graffiti

Racist and anti-Semitic symbols including swastikas were painted on more than 30 cars, homes, buildings and signs in a predominately Jewish neighborhood in San Antonio, prompting a police investigation, authorities said on Wednesday.

EXTERMINATION OF THE POOR

White Vans Taking People Away, Never To Be Seen Again! Are they Slated for FEMA Camps, Extermination In “Smokies?”

ANP received a reader email about white vans taking homeless people away in Oklahoma, never to be seen again, with the reader asking if this was happening in any other communities? Sadly, after researching this, the answer is yes and it is an alarming trend indicating that the homeless that are disappearing may just be the beginning of a systematic purge as part of the depopulation agenda. What better segment of the population to start with than those with no family, no one to report them missing, no one other than other homeless to even notice this disturbing trend? (Proverbs 30:14)

America’s judgment is imminent. Horrific things are coming very soon to this most evil of nations. We have practically begged the Lord to destroy us and destroy us He will because He is a righteous and Holy God (1 Peter 1:15-16).

There is a saying in baseball, Three strikes and you’re out. In 1973 America legalized abortion thus allowing the shedding of innocent blood in the land (Deuteronomy 19:10). Strike One! Recently America legalized gay marriage and rejected God’s laws on that Holy institution (Isaiah 3:9). Strike Two! And now, America under Obama has favored Iran with a nuclear deal which will give them over 150 billion dollars in aid which is more than the total sum America has ever given to Israel since its birth in 1948. This deal also allows Iran to continue its nuclear program which jeopardizes Israel’s safety and existence (Genesis 12:3). Strike Three and you’re out America! Your judgment is assured! You don’t mess with the apple of God’s eye (Israel) (Zechariah 2:8) without incurring the wrath of God and incur it we will.

Now the main question to all who are reading this is, ARE YOU SAVED? If you died today, are you sure you’re going Heaven to be with the Lord? Almost 2,000 years ago, the only sinless man to ever walk the planet, came down from Heaven. He suffered, died, was buried, and 3 days later rose from the dead. (1 Corinthians 15:3-4). Why did He do this? To make the way (John 14:6) for us to go to Heaven, which we ourselves could never do on our own because the Bible says “we were all conceived in sin” (Psalm 51:5), “we are all sinners,” (Romans 3:23), and “all our righteousnesses are as filthy rags” (Isaiah 64:6). That is why the sinless, spotless blood of Jesus Christ was shed at the cross (1 Peter 1:19). Now the way was made and the only mediator between God and man, the man Christ Jesus, was established. (1 Timothy 2:5).

The Lord is coming soon. He could even come today! We are living in the last seconds of the last minutes of the last days of the last generation. So, if you were ever going to ask Jesus to come into your heart and receive Him as your Lord and Saviour, do it today while there is still time. (2 Corinthians 6:2). You are not guaranteed of tomorrow. Out of love, you have been warned (Ezekiel 33:2-9). “And it shall be, when they say to thee, why sighest thou? That thou shalt answer, for the tidings; because it cometh: and every heart shall melt, and all hands shall be feeble, and every spirit shall faint, and all knees shall be weak as water: behold, it cometh, and shall be brought to pass, saith the Lord God.” (Ezekiel 21:7)

AMEN!

(Isaiah 60:12)
