

## *Islam – Religion of Peace?*

*And he will be a wild man; his hand will be against every man, and every man's hand against him...*(Genesis 16:12)

Since its birth, Islam has been a religion of war and hate and not of peace and love as they proclaim. Whereas Jesus told us in the Bible to love our enemies, bless them that curse you, do good to them that hate you, and pray for them that persecute you, (Matthew 6:44), the Qur'an has 164 verses of war commanding Muslims to slay the idolaters (non-Muslims) wherever they are found (Sura 9:5) and smite them above their necks and smite all their fingertips off them (Sura 8:12).

They have burned cities, tortured and killed men, raped and enslaved women, all for Allah and his Prophet Muhammad. But, not all Arabs are true Islamists. During the Great Tribulation, many Arabs from all nations (Revelation 7:9) will come to know Jesus not only as a prophet, but as the one and only true God. The Bible states in Isaiah 19:18-25 that a road shall be built during the 1,000 year reign of Jesus Christ upon the earth. A road that will stretch from Egypt through Israel to Assyria (Northern Iraq) and all three will worship the Lord together. But, until that day comes, the Arabs and Islam will continue their perpetual hatred of Israel (Ezekiel 35:5-6; Amos 1:11). A hatred that started with Ishmael mocking Isaac (Genesis 21:9-10) and continuing with Esau hating and plotting to kill Jacob (Genesis 27:41).

This Bible study was put together not out of hate, but out of love for the Arab people, the descendents of Ishmael. We pray that they find the one and only true God Jesus Christ, the only begotten Son of God, the Creator, Saviour, and Lord of the whole world (John 3:16), **BEFORE IT IS TOO LATE!**

*And by thy sword shall thou live...* (Genesis 27:40)

The Muslim Brotherhood which started in Egypt in 1928 was the first Islamic terror organization. Their five-part slogan:

- God is our objective;
- the Qur'an is our Constitution;
- the Prophet is our Leader;
- jihad is our way;
- death for the sake of God is our wish.

They were the precursor of the terrorist organizations that would follow:

1. Jemaah Islamiyah (1940's Indonesia)
2. Palestine Liberation Front (1961)
3. Islamic Jihad (1983 Lebanon-Shia)
4. Hezbollah (1985 S. Lebanon-Shia)
5. Lashkar-e-Taiba (1986 Pakistan)
6. Hamas (1987 Palestine-Sunni)
7. Al-Qaeda (1988 Pakistan-Sunni)
8. Abu Sayyaf (1991 Philippines)
9. Taliban (1994 Afghanistan)
10. CAIR (1994 USA)
11. Al-Badr (1998 Pakistan)
12. Boko Haram (2002 Nigeria-Sunni)
13. Abdullah Azzam Brigades (2009 Iraq)
14. Al-Nusra (2011 Iraq-Sunni)
15. Ansaru (2012 Nigeria)
16. And within the last two years, the most ruthless of them all, ISIS

So Islam is a religion of peace, huh? Then take a look at this list of atrocities perpetrated by this so called peaceful religion:

The Israeli Olympic Team (Munich massacre, Sept 1972) attackers were Muslims

The Air France Entebbe (June 1976) hijackers were Muslims

The Iranian Embassy Takeover (1980) was by Muslims

The Beirut Marine Barracks (Oct 1983: 307 dead) bombers were Muslims

 The Boston Marathon (Apr 2013: 5 dead/ 280 injured) bombers were Muslims  
 The Russian passenger plane (Oct 2015: 224 dead) bombers were Muslims

And most recently:

The Terror Attacks in Paris, France (Nov. 13, 2015: 129dead/352 injured) and San Bernardino, California, USA (Dec 2015: 14dead/21injured) were by Muslims

*His hand will be against every man!* Can Muslims live peaceably with other races and religions? The answer is No!

When Muslims live with Hindus, there are problems  
 When Muslims live with Buddhists, there are problems  
 When Muslims live with Shintos, there are problems  
 When Muslims live with Catholics, there are problems

When Muslims live with Sikhs, there are problems  
 When Muslims live with Baha'is, there are problems  
 When Muslims live with Atheists, there are problems  
 When Muslims live with Christians, there are problems

When Muslims live with other Muslims, there are BIG problems! As evidenced by the 8 year Iran-Iraq war, the Iraq invasion of Kuwait, the overthrow of the Libyan and Tunisian Governments, the ongoing Syrian civil war, the civil war in Yemen, and the increasing terrorist attacks in Egypt, to name just a few.

This leads to THE STRANGE TRUTH: Muslims are unhappy in Muslim Nations

They're not happy in Gaza  
 They're not happy in Libya  
 They're not happy in Iran  
 They're not happy in Yemen  
 They're not happy in Pakistan  
 They're not happy in Lebanon  
 They're not happy in Kenya  
 They're not happy in Tunisia

They're not happy in Egypt  
 They're not happy in Morocco  
 They're not happy in Iraq  
 They're not happy in Afghanistan  
 They're not happy in Syria  
 They're not happy in Nigeria  
 They're not happy in Sudan  
 They're not happy in Turkey

But when Muslims live with Jews, there are MAJOR problems!

Psalm 120:5-7 states: "*Woe is me, that I sojourn in Mesech, that I dwell in the tents of Kedar (the second son of Ishmael, Genesis 25:13)! My soul hath long dwelt with him that hateth peace. I am for peace: but when I speak, they are for war.*"

**A New Type of Intafada - (Taken from the Golden Report.com)**

A couple months back we saw videos where the "Palestinians" were watching videos on the PA TV stations on how to stab Jews with their knives. I remember writing about it, but like most Israelis I didn't think it would ever come to much. Was I ever wrong! For the past month on a daily basis Jews are being stabbed, young, old, children and all others are now being faced with the possibility of being stabbed when you leave your home. What makes it difficult to defend against is that you can't tell who the terrorist may be. Today a 13 year old Arab boy stabbed an old lady. Yesterday an Arab woman stabbed a security guard near our home. Today while I was in Jerusalem, less than a hundred yards from me, two Israelis were stabbed on the light rail in the center of the city. Sometimes the young Arab men come dressed as Jews with their knives, other times an old Arab woman who you'd never suspect pulls a knife and starts stabbing Jews. It seems that it gets worst every day. What makes it so crazy is that over 90% of the terrorists are killed on the spot-so for them it is really suicide, but they keep coming anyway. Mothers stand up on TV saying

how proud they are that their son stabbed a Jew and was killed in Alan's service and they want their other sons and daughters to do the same thing. For the few in the world who still don't believe that Islam isn't of the Devil- they need to take a closer look.

### **Poll: Majority of Palestinians support third intifada against Israel**

More than half of the Palestinians support a third intifada against Israel, according to a public opinion poll published on Monday. The poll, which was conducted by the Palestinian Center for Public Opinion, also found that 48 percent of respondents would like to see Palestinian Authority President Mahmoud Abbas quit. The poll, conducted between November 12 and 18, covered some 1,000 Palestinians.

Reports of firebombs thrown at Rachel's Tomb in West Bank; no injuries - @TheIsraelink

JERUSALEM (AP) – the Israeli military says it raided a Palestinian radio station and confiscated equipment used to broadcast calls to attack Israelis.

The Military says it shut down the El-Khalil radio station in Hebron overnight Saturday. It's the second time Israel has closed a Hebron station it accuses of inciting violence in the volatile West Bank city.

Israel says the current violence has been set off by a Palestinian campaign of lies and incitement surrounding a sensitive Jerusalem holy site.

### **The War Against the Jewish Trees**

BDS battling "Jewish" trees gets down to the root of the true anti-Israel and anti-Jewish agenda. Kill the trees. Kill the Jews. And leave behind a barren spiritual and physical desert ruled by the destroyers. You might think that the obstacles to peace are the rockets from Gaza and the brutal murders of Jews. You might be foolish enough to think that the obstacles are the ordinary Muslims who taunted and beat Adelle Banita-Bennett, suddenly widowed at 22, trying to escape the Muslim terrorist who had just murdered her husband.

### **Israel erects wall to protect Jews in east Jerusalem**

Israeli police on Sunday began erecting a wall in east Jerusalem to protect a Jewish neighborhood subject to firebomb and stone attacks launched from an adjacent Palestinian village. The wall would effectively divide Palestinian Jabel Mukaber and Jewish Armon Hanatziv, raising criticism among the government's opposition, which considered the move a de facto division of Jerusalem.

### **Palestinian assailant killed after stabbing Israeli soldier**

A Palestinian assailant was shot and killed by Israeli forces after stabbing and seriously wounding an Israeli soldier in the West Bank on Wednesday, the latest in an unrelenting, two-month wave of violence. Attacks by Palestinians have killed 19 Israelis and 91 Palestinians have been killed by Israeli fire, among them 58 said by Israel to be assailants. The rest were killed in clashes with Israeli forces.

### **Israel Avoiding the Abyss, For Now**

For the past four weeks, Israel and the West Bank have been hit by a wave of stabbing attacks by Palestinian Muslims on Israeli Jews and protests in the West Bank. Palestinian fury derives from claims that Israel planned to change the status quo banning Jewish prayer on the Temple Mount, as it is known to Jewish people, or Haram al-Sharif, as it is known to Muslims.

### **'Israel sees no sign that terror wave subsiding. IDF prepared for escalation'**

Defense Minister Moshe Ya'alon said Monday that there is no sign that the current wave of terror...is subsiding and added that the army is being readied for...further escalation in order to halt Palestinian violence. 'Unfortunately there is no signs of this wave of terrorism waning,' Ya'alon said... "We are using every means at our disposal to stop the violence, but the IDF is prepared for the possibility of escalation."

*"And he shall dwell in the presence of his brethren..."* (Genesis 10:12), but he is no longer content to dwell just in the Middle East, as evidenced by what is taking place in Europe and America today. Here's how they invade. Until now, they have been peaceful when they arrive in their new country, until they gain power – then Look Out! Then their pattern of conquest for that nation begins:

1. **Infiltrate** – move in
2. **Populate** – grow large families and recruit others
3. **Legislate** – make laws against converting Muslims
4. **Decimate** – take over the country little by little, one city at a time
5. **Eliminate** – destroy those who don't submit to Sharia Law

#### **It Is Urgent That You Read This (Taken from the Golden Report.com)**

What is happening in France is only a small part of the overall picture of what is happening all over Europe and it is happening far faster than anyone thought possible. There is a mass Muslim invasion of all of Europe. The terrible Islamic Terrorism we have just witnessed in Paris is pale in comparison to the overall picture of murders, rapes and destruction of Europe taking place. Islam means to submit and to submit by fear of being stoned, raped, beaten, having your hands or head cut off and there is no freedom of life in any form, it is submit or suffer the consequences of Sharia Law. Over the past few years I've said time and time again this would happen, and that Jews and Christians would be running for their lives or have to convert to Islam.

Now, can there be any peace on this planet as long as Islam exists? The answer is NO! We are told to pray for the peace of Jerusalem (Psalm 122:6) but, Jerusalem will have no peace until the Prince of Peace comes back and destroys not only Islam, but all of God's enemies. When the smoke clears, Jesus and only Jesus will be left standing. Then finally, all of the praise and worship will go to Him and Him alone, as it always should have, (Philippines 2:9-11). Jesus, and only Jesus is God, and He, not Allah, died to redeem mankind from its bondage to sin, (Titus 2:14). He suffered horribly, died, was buried, and rose from the dead 3 days later, according to the scriptures, (1 Corinthians 15:1-4). He became the way, the truth, the life, and the door by which we can come unto the Father, (John 14:6, 10:9). He paid the price for our salvation. It is a free gift from God, (Romans 6:23, 2 Corinthians 9:15) bought and paid for with His precious Holy blood (1 Peter 1:18-19). Take that gift Now while there is still time because time is rapidly running out, (2 Corinthians 6:2). Right now, Jesus is knocking at the door to your heart, (Revelation 3:20). You need to repent of all your sins (Luke 13:3 & 5), ask Him to come into your heart and receive Him as your Lord and Saviour (John 1:12) Arab hate is at an all time high. Eventually, this hate which started with Ishmael's envy and jealousy of Isaac will plunge the world into another major war as prophesied in Psalm 83 and Ezekiel chapters 38 – 39.

The Rapture of the church is imminent. (1 Thessalonians 4:16 – 18). Jesus is coming to take his ambassadors (the church) (2 Corinthians 5:20) home to be with Him. You don't want to be here for what is going to happen after that.

Yes, pray for the peace of Jerusalem, but, more importantly, pray for Jesus to come back!

AMEN!
