

The U.S. – Flirting With Disaster!

But if they will not obey, I will utterly pluck up and destroy that nation, saith the LORD. Jeremiah 12:17

In the last presidential election, Donald Trump’s campaign slogan was “Let’s make America great again!” Well, he won the election and became President of the United States. It’s true that our economy is getting better and the unemployment rate has dropped, but how can America ever become great again if it continues sinking into the abyss of degradation, filth, and sin?

Recently on a major national television station, a commercial has begun to run which verifies we are in the last days before the coming of the Lord to take His true church home in the rapture (1 Thessalonians 4:16-18). The commercial starts off with two men lying in bed together, cuddling. The one says, “We forgot to use condoms. But we’re only human. Maybe we should get tested for HIV.” Then a lesbian comes on and says that “Even though me and my partner haven’t slept with men, maybe we should get checked for HIV.” Then, a cross-dressing man (Deuteronomy 22:5) comes on and says, “If we’re going to live this lifestyle, then we should be checked out for HIV.” This commercial has been running repeatedly.

It reminds us of what the Bible says in Isaiah 3:9 – “*The shew of their countenance doth witness against them; and they declare their sin as Sodom, they hide it not. Woe unto their soul! for they have rewarded evil unto themselves.*” Jesus said, “As it was in the days of Lot...” (Luke 17:29). In Lot’s day, the sin of sodomy was rampant (Genesis 13:13) and the men became so depraved, they even wanted to have sex with the two angels (Genesis 19:5) that the Lord had sent on ahead, to warn and remove Lot and his family from God’s coming judgment (Genesis 19:24). The Bible says “*Thou shalt not lie with mankind as with woman kind, it is abomination*” (Leviticus 18:22, Romans 1:26 – 27), and yet the sin of homosexuality has become rampant and commonplace in the United States. But, this is not the only sin that America is committing. Read the following titles and their accompanying news briefs and see for yourself how America is continuing down the road of decadence and debauchery which will eventually lead to its ultimate destruction at the hands of a Holy God. According to your deeds, America, it shall come back unto you (Isaiah 59:18a).

- **God Cancels Pagan/Witches Meet-up**

My husband and I live in Maryland. Covens of witches, Wicca members and Pagans are no strangers to our State. But there is a town in Maryland which has made national news twice in the last two years – with the *same* story. Ellicott City, MD was pounded and destroyed by torrential downpours which resulted in disastrous fast-moving floods in July 2016; and just two days ago, this town was once again ravaged by raging floods which carried away cars and debris from stores on Main Street. Pagans and witches from the area were to have a “meet-up” on June 5th in the basement of a brewery in Ellicott City.

The woman, who claims that she was “blessed” to have two abortions, says that she is trying to push back against the Christian beliefs that stand against abortion, and characterized the float as a “never before seen spectacle of autonomy and conviction.”

So what do you think about what you just read? Does it sound like America is back on the road to greatness or does it sound like we are on the highway to hell?

Right now, God’s judgment on America has been delayed. The United States, under President Trump, is once again favoring and supporting Israel, even going so far as to move our embassy to Jerusalem, where it should have been all along. They have even gotten other nations to do so as well. The promise of Genesis 12:3 is in play right now, but it is only a matter of time before God lifts the hedge of protection He has always had over this country and a major catastrophe happens. Already the hedge has been partially lifted as America has suffered devastating forest fires, storms, tornado outbreaks, hurricanes, floods, and now even the volcanic eruption in Hawaii. But these events will pale in comparison to what the Lord will allow to happen to America if she keeps on the course she is on. It has happened to countries and empires in the past, and America is no exception. There are none with God! But just because the United States is headed towards the brink of destruction, it doesn’t mean your life has to end tragically as well.

Almost 2,000 years ago, the greatest act of love the world has ever seen took place outside of Jerusalem. The Father sent His only begotten Son (John 3:16), who did no sin (1 Peter 2:22), to take our place and die on the cross for all of our transgressions. Before He died however, He was mocked, spit upon, whipped (Mark 10:34) and even had His beard plucked from off His face (Isaiah 50:6). It’s a miracle the Lord even survived long enough to be crucified. This He did for us because “God is not willing that any should perish, but that all should come to repentance.” (2 Peter 3:9). Just before He died, Jesus said “It is finished” (John 19:30). And it was! The one and only way to get to heaven (John 14:6) and escape the coming wrath of God (Romans 5:9) was now bought and paid for with the precious Holy blood of the Son of God (Acts 20:28). Our salvation is a gift (2 Corinthians 9:15), and gifts are free. They can’t be bought or worked for. So take the free gift while there is still time because time is growing shorter by the day (2 Corinthians 6:2). If you don’t, you will have a very rude awakening when you die because you will die in your sins and you will end up in hell where the fire is never quenched (Mark 9:46) for all eternity. The choice is yours (Deuteronomy 30:19)! We hope you make the right one!

AMEN
