

# *The U.S. – Flirting With Disaster! Part II*

*For the nation and kingdom that will not serve thee shall perish; yea, those nations shall be utterly wasted. Isaiah 60:12*

The decline of the U.S. is continuing at an accelerating pace. Since we wrote the ‘US Flirting With Disaster’ in July of this year, the US has rapidly continued down the path of both immoral degradation and apostasy which will only bring about the destruction of the U.S. at the hands of a Holy and just God. God, however, before the judgment comes, always sends out warning after warning. Just look at the two recent hurricanes that have struck this country. The first was Florence which did tremendous damage in North and South Carolina, Georgia, and Virginia. The second hurricane, Michael, when it landed as a category 4, wiped out entire towns in the Florida panhandle. But is America heeding the warnings? – NO! The U.S. is following in the exact same footsteps as Israel, the apple of God’s eye (Lamentations 2:18), before her destruction came. The Lord sent warning after warning to repent, but when they didn’t, the Lord allowed Assyria to conquer the ten northern tribes of Israel, and then allowed Babylon to conquer the two southern tribes of Judah. They both became so decadent that the Lord said in Jeremiah 30:12, “*Thy bruise is incurable, and thy wound is grievous.*” The Lord said the exact same thing about the city of Nineveh just before He allowed the Chaldeans to destroy it (Nahum 3:19). America has so many enemies just chomping at the bit waiting to destroy her... Russia, China, North Korea, and Iran, just to name a few. They would rejoice at America’s destruction (Lamentations 2:16).

Back in the 1970’s, Nicky Cruz, a former New York City gang member was preached to by pastor David Wilkerson (The Cross and the Switchblade) and got saved. In 1990 he wrote a book called ‘The Final Warning to America’. In the book, Nicky Cruz interviewed Pastor Wilkerson and the pastor said that he believed America was already past the point of repenting back to God. That was 28 years ago, and look at how much further America has fallen since then!

Recently, Dr. David Reagan on his TV show “Christ In Prophecy” reiterated the same exact thing. He pointed out the decadence, depravity, and out and out rebellion against God and His Holy word. He likened America to Judah in the Old Testament. First came the tremendous blessings, followed by their eventual spiritual downfall, and finally their conquering when they fell away from their God. America is following in the exact same footsteps.

Read the following titles taken from Rapture Ready.com and their accompanying news briefs, and judge for yourself. Is America drawing closer to God, or are we falling further and further away? This will lead to America’s destruction at the hands of a just and Holy God. He did it to Israel, the apple of His eye (Zechariah 2:8), and America, you’re next (Job 12:23)!

We all know that everything will revolve around Israel in the last days. Russia will play their part when they and their Arab allies attack Israel as mentioned in Ezekiel chapters 38 & 39. Europe will play their part as they become the world’s preeminent power under the reign of the anti-christ (Revelation 17:12-17). The oriental nations will also play their part when they march 200,000,000 soldiers to the battle of Armageddon, and kill 1/3 of the world’s population in the process (Revelation 9:14-18, 16:12-16). But “WHERE IS AMERICA?” This great and powerful country that has been the world’s preeminent super power since WWII seems to be absent from scripture. Why? Well, all you had to do was read the above titles with their brief storylines to get your answer.

Revival is not coming to the U.S. or anywhere else in the world before the Rapture. It was never prophesied in the Bible. Apostasy, yes. Revival, no! In fact, the Bible says, “there will be a falling away” from the word of God (2 Thessalonians 2:3), a “departing from the faith” (1 Timothy 4:1), perilous times will come where people will have a “form of godliness but deny the power thereof” (2 Timothy 3:1-5), and “evil men and seducers becoming worse and worse” (2 Timothy 3:13).

What we have in this country presently is a reverse revival. The U.S. is drawing closer and closer to the devil than it is to God. Instead of drawing nearer unto the Son of God, we are heading straight towards the son of perdition (2 Thessalonians 2:3), God’s arch enemy, the anti-christ.

Judgment is coming to this country for all of its wickedness. Only God knows how long He is going to withhold it. What is needed now, and if ever there was an urgency for it, is repentance.

Almost 2,000 years ago, the Father sent His son Jesus to die on a cross to pay for all of mankind’s sins. As He hung on the cross, He said “It is finished” (John 19:30). He died, was buried, and three days later, He rose from the dead (1 Corinthians 15: 3-4), defeating the last enemy of mankind – death (1 Corinthians 15:26).

Salvation is a free gift (Romans 6:23) offered to anyone who will humble themselves, admit they are sinners, and take that gift by faith (Ephesians 2:8-9). Once you do, you become a new creature in Christ (2 Corinthians 5:17), you become ‘born again’, assuring yourself that you will be among the blessed who disappear when the Lord Jesus descends from heaven to call His church home in the Rapture (1 Thessalonians 4:16-18). So heed the warning before it is too late! You don’t want to be left behind!

AMEN
