

He See's You When You're Sleeping!

"The eyes of the LORD are in every place, beholding the evil and the good." Proverbs 15:3

Sorry folks, this Bible study has nothing to do with santa claus or Christmas! It's about the new world order and the global government that is being established right in front of our eyes. If you ever have the feeling that you're being watched – you are, everyone is! Cameras are everywhere watching our every move. On street corners, on highways, in parking lots, in drive throughs, in class rooms, even in stadiums. And, the government is actually paying people all around the country to watch us day and night.

Recently, a woman attended a football game in Florida. A short time after, she tested positive for the covid-19 virus. Somehow, the results of her test got back to the stadium security personnel who had all the names and contact information of everyone at that game. They then reviewed their surveillance film from their stadium cameras and could see everyone that had come in contact with her, or was sitting in the area around her. By having this film, they were able to contact all of the people that were in her vicinity and inform them about the woman who had tested positive for the virus, so they themselves could get tested. That's how closely we're all being watched.

Also, a story broke on the internet not too long ago about a man who was attending a sporting event and it looked like he was taking pictures of the game with his phone. But, in reality, he had his camera set to take a selfie and it was found out that he was actually taking pictures looking up the skirt of the girl sitting behind him. All of a sudden, this man received a text message on his phone, informing him of what he was doing and telling him to stop. To say the least, this man was shocked to know that his phone was actually being monitored! This is just one of the many instances that have taken place to let us know how we are all being watched and monitored on a daily basis.

In November of 2020, all of the remaining toll booths in New York State have been permanently removed and replaced by cameras. Can you imagine how many people were put out of work because the State did this? Now, New York State can keep track of our coming and goings by scanning our license plates. Welcome to the N.W.O.!

Did you ever notice the pyramid on the back of our \$1.00 bill? What is a pyramid doing on our money? You would expect to see a pyramid on Egypt's currency, but not on ours. And, at the top of the pyramid, which is not connected to the rest of it, is the "ALL SEEING EYE". And, at the bottom, the Latin words – NOVUS ORDO SECLORUM - which when translated into English means – NEW ORDER OF SOCIALISM – or, the New World Order. And the reason the top is not connected to the rest of the pyramid is because the one world government, or the new world order, has not yet been completed. But, they do have a target date of 2030 for its completion, and the pope himself has mentioned this, time and time again. When this is completed, the sovereignty of all individual nations will cease to exist. This is what George Orwell's book "1984" was all about. Big Brother watching our every move. And, this is the reason for all the cameras being installed, and all of the surveillance of us now taking place.

Even our every move on line is being followed by government agencies – every website we visit, every person we are in contact with. And, because of our smart phones, we are being spied on 24 – 7. Every call we make, every text we send or receive. They can even monitor us in the privacy of our own homes because of the chips and cameras that have been installed on our newest televisions. As we're watching a program, they are watching us. In fact, they can watch us in the privacy of our own homes whether the TV is on or not! Yes, this is all a fore shadow of the coming one-world government that was prophesied in the Bible that would be formed in the last days when the antichrist (1 John 2:18) comes to power (Revelation 13:7).

Yes, big brother is watching us, but who is really doing the watching around here? It is the Lord Himself, "*For mine eyes are upon all their ways: they are not hid from my face, neither is their iniquity hid from mine eyes*" (Jeremiah 16:17). Also, Job 34:21 says "*For his eyes are upon the ways of man, and he seeth all his goings.*" And again in Proverbs 5:21, "*For the ways of man are before the eyes of the LORD, and he pondereth all his goings.*" Jesus said in Luke 8:17, "*For nothing is secret, that shall not be made manifest; neither any thing hid, that shall not be known and come abroad.*" And the Lord also said in Matthew 10:26 "*Fear them not therefore: for there is nothing covered, that shall not be revealed; and hid, that shall not be known.*"

So, God is in total control. As they are watching us, He is watching them, and He is not pleased with what is going on down here. The Bible says, "*God judges the righteous, and God is angry with the wicked every day.*" (Psalm 7:11). That is why we must continue to trust in the Lord during these perilous times, as they get worse and worse (2 Timothy 3:1).

God loves us (John 3:16) and that is why almost 2,000 years ago the Father sent His only begotten Son to this planet to redeem us (Titus 2:14) from the bondage of sin that mankind has been in since Adam and Eve sinned in the garden (Genesis 3:6-7). He came, born of a virgin (Matthew 1:23), and of the Jewish race according to the flesh (Romans 9:5). At the age of 30 (Luke 3:23), He began to preach and to say, “*Repent, for the kingdom of heaven is at hand.*” (Matthew 4:17). He would preach the gospel of the kingdom for the next three years, until He was plotted against, illegally arrested, tried, and condemned to death by crucifixion (Mark 10:33-34). Three days later however, Jesus would defeat sin and death (1 Corinthians 15:26) by rising from the dead (1 Corinthians 15:3-4). Anyone, wanting to be saved from their sins from that point on only needed to truly repent of their sins (Acts 2:38) and receive Him into their heart as Lord and Saviour of their life (John 1:12).

Jesus is in Heaven, sitting at the right hand of the Father (Matthew 26:64), just waiting for the Father’s command to go and get His children from off of this sin infested world (John 14:2-3) before the Great Tribulation – the worst time in the history of mankind commences (Matthew 24:21). In the meantime, however, He constantly watches us, His children. Psalm 34:15 says “*The eyes of the LORD are upon the righteous, and his ears are open unto their cry.*” And again in Psalm 33:18, “*Behold, the eye of the LORD is upon them that fear him, upon them that hope in his mercy;*” And that hope is the “blessed hope” (Titus 2:13), which is the rapture of the church. This is where, “*the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first: Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord. Wherefore comfort one another with these words.*” (1 Thessalonians 4:16-18). What a hope we have in Jesus!

Just remember, the Lord in Heaven never slumbers nor sleeps! (Psalm 121:4). So:

He sees you when you’re sleeping...

He knows when you’re awake...

He knows every bad thing you’ve ever done...

So repent for Heaven’s sake!

Amen
